Plastic Gift Cards

Plastic gift cards are physical gift cards or paper certificates that you purchase on ShopWithScrip.com. These will be shipped directly to your coordinator. Check with your coordinator for your organization's order and distribution dates.

Reload / ReloadNow

Some retailers offer the option to add funds to an existing plastic gift card. The card must have been purchased from Great Lakes Scrip Center to be eligible for reload on ShopWithScrip. If your order is paid for online with PrestoPay by 3:30 p.m. EST (Monday-Friday) on normal business days, your funds will be available by the next morning. If you pay for your reload order by check, your funds will be available the morning after your coordinator releases the order. Reload orders placed after 3:30 p.m. EST Friday will process Monday evening and your funds will be available Tuesday morning.

ReloadNow is available for select retailers. With this option, the reloaded funds will be available on your plastic gift card in minutes when the order is paid for online with PrestoPay (24 hours a day, 7 days a week).

ScripNow / eGift

Some retailers also offer the option of ordering and printing electronic gift cards (eCards) right from home. Your ScripNow eCard will be delivered directly to your ShopWithScrip account in minutes when you pay for your order with PrestoPay (24 hours a day, 7 days a week). You can print the certificate for use at the retailer store location, copy and paste the code at checkout for an online purchase, or send the eCard as a gift to any email address! If you pay for your ScripNow order by check, your ScripNow eCard will be delivered minutes after your coordinator releases your order.

A printable PDF list of all retailers is available in the lower right-hand corner of the **'Shop'** page.

The screenshot shows the homepage of shopwithscrip.com. At the top, the logo and tagline "Scrip is fundraising while you shop!" are visible, along with a Facebook link. Below the logo is a navigation bar with tabs for Home, Get Started, What's New, Shop, and My Account. A search bar with a "Go" button is located on the left. To the right of the search bar are icons for ScripNow!, Favorites, Reload, ExpressAdd, and a shopping cart icon with "(1) Checkout".

Below the navigation bar is a "BROWSE BY CATEGORY" section. A list of categories is displayed in three columns:

All Categories	Discount Store	Reload Brands

Best Sellers	Entertainment	Service
Books & Music	Gas & Auto	Specialty Retailer
Children & Teens	Grocery	Sporting Goods
Clothing & Accessories	Health & Beauty	Travel

At the bottom of the page, there is a banner for "check out our special offers" featuring a shopping bag and gifts. In the bottom right corner, there is a "Print a List" button with options for "Alphabetically" and "By Category".

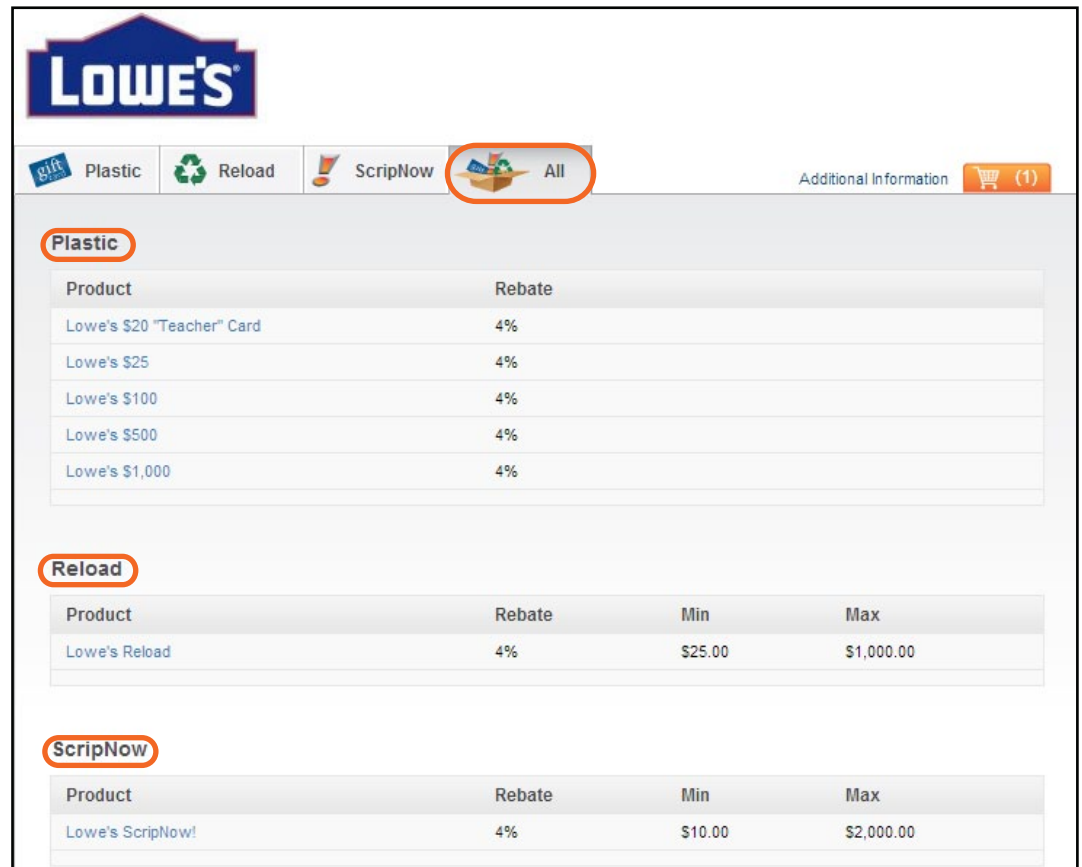

Search Brands

If you know the name of the product(s) you wish to purchase, your starting point is the 'Search Brands' box. Simply type the first few letters of the brand name in the box and select 'Go.'

Note: Spelling and punctuation affect search results. Typing the first few letters of the brand will deliver the best results.

When you locate the brand you wish to purchase, click on either the brand name or the logo.

A product detail page will appear for the selected brand. Tabs along the top of the page will show the different types of cards available for that brand (*Plastic, Reload, and ScripNow*). Each brand is different; some may contain all options, while others may only contain one card type. If there are multiple options for the card click the 'All' tab if you want to see a complete list of products.

Browse by Category

To find brands by type or category, click on the **'Shop'** tab or click on the **'Browse'** button from the **'My Account'** page.

Select the category of interest, or click **'All Categories'** for a list of all available brands. Narrow your choice by selecting the first letter of the desired brand. For product details or to make a purchase, click on the logo or underlined brand name. This will take you to the product detail page. (You will find step-by-step ordering instructions on pg. 9).

Special Offers

For a complete list of special offers or bonus offers click the special offers banner at the bottom of the **'Shop'** tab. To order one of the special offer products simply click **'Add to Cart.'**

Express Add

If you know exactly what you are ordering, **'Express Add'** is the easiest way to add these items to your shopping cart.

Type the first few letters of the item you are looking for. The drop-down menu will contain all brand names beginning with the letters you type.

Select the item you wish to add, enter the quantity desired in the **'Qty'** field, and press the enter key or click **'Add to Cart.'**

A blue notification box will appear at the top of the screen letting you know you have successfully added the product to your cart. Repeat as necessary until your order is complete.

Favorites

You have the option to add frequently purchased products to a personal favorites list. Simply click on the 'Add to Favorites' icon (A) and the product will be added to your list for easy shopping in the future.

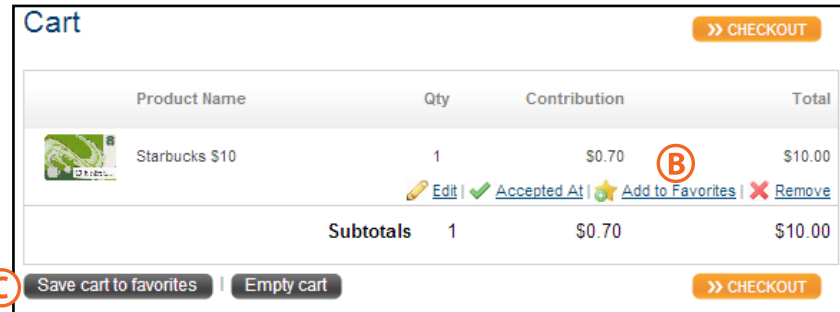

You can also add to your 'Favorites' directly from your shopping cart (B), or save the entire cart to your 'Favorites' (C).

Once you have created a favorites list, you can use it to quickly place your order. Click on the 'Favorites' icon (D) to be taken to your favorites list.

From your favorites, choose 'Add to Cart' (E) next to the product you wish to purchase.

Enter the Quantity (F) and select 'Add to Cart' (G).

A blue notification box at the top of your screen verifies that your choice has been added to your cart. You may then choose more items from your favorites list, check out, or continue shopping for additional items.

The Product Detail Page

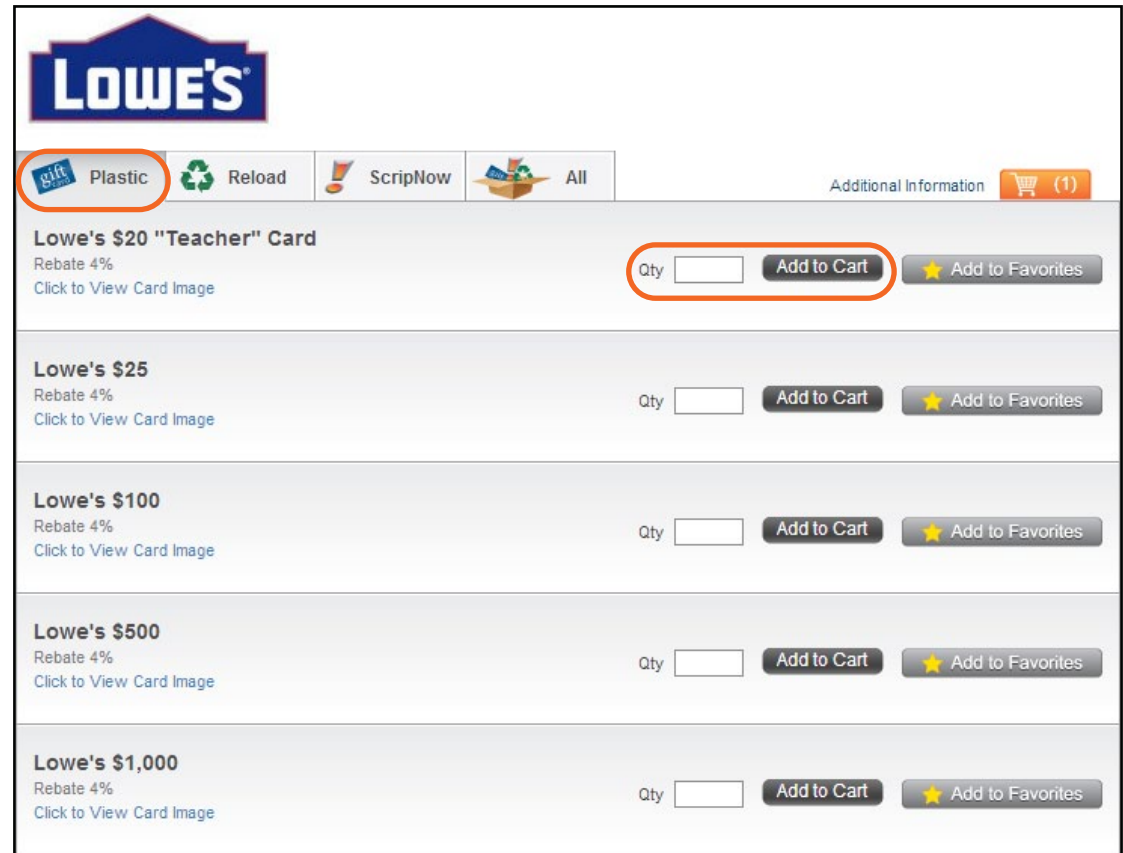

Using one of our shopping links, select the brand you wish to purchase scrip for. This will take you to the product detail page. Tabs along the top of the page will show the different types of scrip (*Plastic, Reload, and ScripNow*).

Plastic Gift Cards

Click on the **'Plastic'** tab to order a gift card or certificate that will be shipped directly to your organization's coordinator.

Locate the denomination you wish to order and enter the quantity desired in the **'Qty'** field, then press enter or click **'Add to Cart.'**

A blue notification box will appear at the top of the screen letting you know you have successfully added the product to your cart. To continue shopping click the **'Shop'** tab.

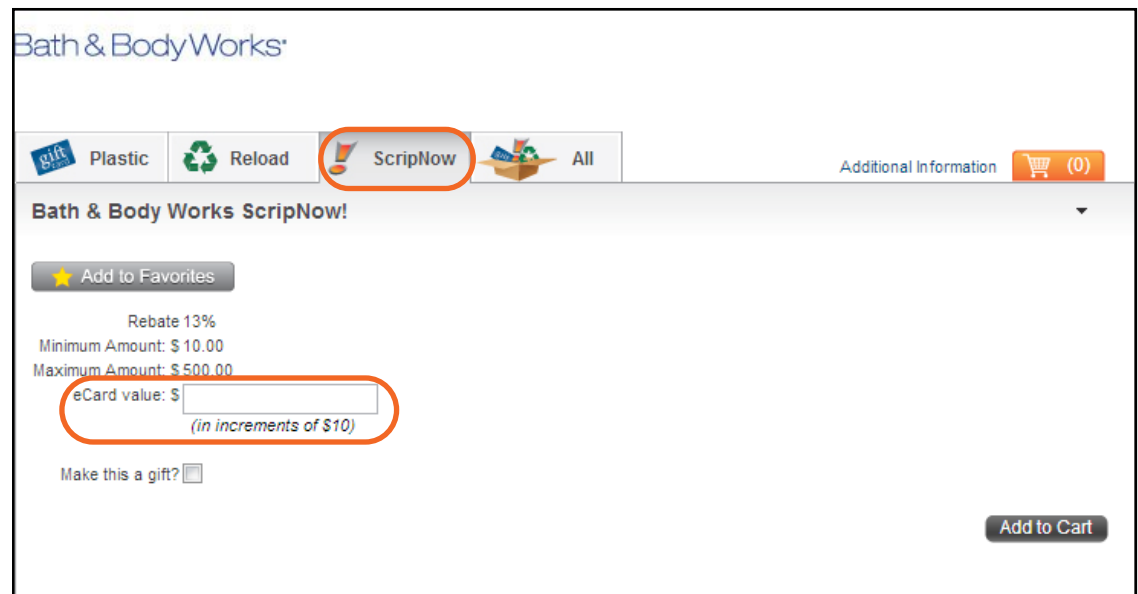

ScripNow

To browse brands offering electronic gift cards (delivered in minutes to your ShopWithScrip account), select the **'Shop'** tab and click on the **'ScripNow'** icon at the top of the page.

Click on the brand you wish to order. The product detail page will appear with the **'ScripNow'** tab highlighted.

For most ScripNow eCards you will be able to choose the denomination you wish to order in \$10 increments. A minimum amount and a maximum amount will be listed below the tab. Enter the amount you want to order in the **'eCard Value'** field. Then click **'Add to Cart.'**

If the ScripNow brand has a fixed-denomination, click on the denomination you want to order and enter the quantity of eCards you wish to purchase in the available field. Then click **'Add to Cart.'**

ScripNow eGift

You have the option to send ScripNow as a gift to anyone with an email address.

To send a ScripNow eGift, check the box marked **'Make this a gift.'** This will open additional fields for you to fill in information about the recipient and yourself, as well as an area for you to add a personal message to the recipient.

For some ScripNow brands, you can choose from a selection of images to appear on the eCard you send.

You can also choose to send the eGift **'Now,'** or schedule delivery up to a year in advance – perfect for birthdays and holidays!

The rebate for each product is listed under **'Contribution.'**

Payment Options

3. The next step is choosing your form of payment. If you will be paying your organization for the order with a personal check, select the **'Check'** option. If your organization has enabled **PrestoPay** and you have completed the enrollment process, enter your 4-digit pin to pay by this secure online method.

4. Finally, click **'Confirm Your Order.'**

If you choose to pay by check, print your order confirmation page and submit it to your coordinator with your payment. For more information about PrestoPay and how to enroll, see the following section.

Enrolling in PrestoPay

PrestoPay is a convenient way for you to pay online at the time you place your order. Simply link your bank account information to your ShopWithScrip account on our secure server, and GLSC will be able to electronically accept your payment on behalf of your organization. No need to bother with cash or checks!

When you check out on ShopWithScrip.com, enter your secure PIN number (created when you enroll in PrestoPay, pg. 17) and your account will automatically be debited for the face value of your order, plus a small convenience fee of just \$0.15 per order. It's that easy!

Once your organization has enabled use of the PrestoPay feature, you will notice a message in a blue banner at the top of your screen prompting you to create a PrestoPay account. Simply click on the link to begin the enrollment process.

Carefully read the terms and conditions and click 'Yes, and I Agree.'

Note: *If you are enrolled in more than one organization, you will only have to set up PrestoPay once. You will need to be approved by each organization you'll be ordering through.*

The screenshot shows the ShopWithScrip.com website interface. At the top, the logo "shopwithscrip.com" is on the left, and the tagline "Scrip is fundraising while you shop!" is on the right, along with a Facebook "Like us on Facebook" button. A navigation bar below the logo contains links for "Home", "Get Started", "What's New", "Shop", and "My Account". A blue banner below the navigation bar contains an information icon and the text: "You do not have a PrestoPay™ account. Click [here](#) to create one." Below this banner is a "PrestoPay™" section. On the left, a sidebar menu lists: "Logout", "Account Dashboard", "Account Activity", "Change Profile/Password", "Manage Non-Profits", "My Announcements", "Reports", "ScripNow!™", "PrestoPay™" (highlighted with an orange circle), and "User Guide". The main content area features three video thumbnails: "Family Overview", "Family Registration", and "Coordinator Guide". Below these thumbnails is a text box that reads: "You currently do not have a PrestoPay™ account. Would you like to activate one?" and a paragraph explaining that PrestoPay is a convenient way to pay online, with payment electronically deducted from a checking account.

Verifying Your PrestoPay Account

1. Type in the name of your bank.
2. Name this account whatever you would like (something easy to identify).
3. Choose either checking or savings based on your account type.
4. Enter your bank account number and routing number located at the bottom of your checks.
5. Type the validation code you see in the black box and click 'Next.'

At this point, you will need to wait for Great Lakes Scrip Center to verify the account. This process takes about 2-3 business days. You can still place your order, but must pay by check until your account is completely verified.

To verify your account information, GLSC will make two small deposits into your designated bank account. Make sure to check your bank statement after 2-3 business days, as no E-mail reminder will be sent out.

Once you receive the deposits, take note of both amounts and return to the PrestoPay link on the left side of your Family Home Page on ShopWithScrip.

6. Enter both two-digit amounts deposited into your bank account by GLSC.
7. Select a four-digit pin number, and enter it again to verify. Then, click 'Next.'

Now that your account is verified, you will be issued an approval code to give to your coordinator. This approval code will appear on your ShopWithScrip account and be sent to you by email. Once your coordinator has received your approval code and authorized you for online payment, you'll receive a second email confirming your PrestoPay account is active and can be used to pay for your ShopWithScrip orders.
